Qadira

Quality management

- ✓ Guarantee 100% purchasing from authorized distributor & EMS or big account , so we don't have sourcing or buyer to purchase from unknown source , we only have assistant to purchase fulfilment from our proper channel.
- ✓ Perfect QC system to ensure the quality of our products, we also can send the sample to the third party for testing, for example "White house" , "Global Electronics Testing Services,LLC" and so on.
- ✓ ISO9001 , ERAI quality certification.
- ✓ We only sell new products and we can provide the traceability document for all our product (the chip manufacturer's COC , authorized distributor 's Packing List).
- ✓ If have any quality issue we can provide Failure Analysis Report from the chip manufacturer (but need 4wks , because of we need sent RMA to manufacturer's US or Europe lab for X-Ray or other flow path).
- ✓ We can provide Product Change Notification from the chip manufacturer of all our components .
- ✓ We can provide all environmental protection certification(SGS,REACH,ROHS,PFOS,DMF statement).
